THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI M. V. CHANDRASHEKHAR MURTHY) : (a) The Government of Maharashtra has advised the Industrial Development Bank of India (TDBI) that 50 co-operative spinning mills would be set up in the State of Maharashtra during the Eighth Plan period. Of these, 12 have so far approached TDBI for assistance.

(b) to (d) IDBI has reported that no assistance has been sanctioned by the financial institutions so far, as it was felt that there was no scope for such a large capacity. In view of greater emphasis on exports, financial institutions have been giving preference to export oriented units promoted by persons with experience in the line and envisaging installation of most modem equipment to ensure production of yarn of international standard. The working of the existing co-operative mills has been generally unsatisfactory and they have large overdues to financial institutions. IDBI has advised the Government of Maharashtra to clear the over-dues of existing co-operative spinning mills and strengthen their organisational set up.
